

CAPABILITY

FOR PERSONS WITH DISABILITIES

ABOUT US

The Capability program assists persons with disabilities (visible or invisible) to enhance their employability skills and job prospects. With guidance from Job Coaches and Job Developers, PWD's can attend customized workshops to help prepare for their transition into the labour market. Participants are invited to attend pre-employment group workshops, after which they will receive support to acquire a 12 week paid work placement.

Pre-Employment

Our tailored workshops assist participants in getting job search ready

Accommodation Support

Assistance in determining if participants require job accommodations and support on how to request

Retention

Our Job Developer works with participants and employers to ensure that employment is retained

Registration Open!

Eligibility check required. Capability is being offered virtually during COVID-19
