

# Vaccination Clinic

Access COVID-19 and MPOX vaccines at our low-barrier drop-in clinic.  
Come see us on the third floor.

**When:** Wednesdays

April 19 to June 14

**Time:** 1pm to 6pm

**Where:** The 519  
[519 Church St.]

Ontario Health (OHIP) or  
Interim Federal Health (IFH)  
card not necessary, but good  
to bring if available

Questions about eligibility?  
[Community@the519.org](mailto:Community@the519.org)

The 519 is an accessible facility  
with a ramp, elevator, and all-  
gender washrooms.

## Services:

- **COVID-19 Vaccine:** primary series & bivalent boosters available for those eligible six months and older
- **MPOX Vaccine:**
  - 18+
  - 1st and 2nd doses (wait 28 days between doses)
  - Note: After the Imvamune (MPOX) vaccine, wait at least 2 weeks before getting another non-live vaccine (e.g. COVID-19, flu, meningococcal) and 4 weeks before getting another live vaccine (e.g. Shingles, MMR)
- **Free HIV Self Test:** in partnership with Community Based Research Center, come and access take home HIV Self Test Kits
- Access name change on your COVID-19 vaccine certificate
