

FOUNDATIONS OF DISABILITY INCLUSION

A VIRTUAL WORKSHOP FOR YOUR ORGANIZATION

Our IDE+A (Inclusion of Disability Equity and Access) project training will offer your organization a better understanding of disability and access as integral to effective Diversity, Equity and Inclusion work, facilitated by disabled and Deaf educators.

2-hour virtual workshop Organizations located in Canada

Learning Objectives:

- Understand disability as part of human diversity.
- Develop strategies to improve access and equity at all levels.
- Recognize rights, roles, and responsibilities.
- Explore ways to actively practice access and inclusion and dismantle ableism
- Understand Independent Living as a fundamental shift in society
- Identify and learn to apply disability justice principles
