

# Access Healthcare:

## Beyond the AODA

A disability access and inclusion workshop for health care providers.

**Free**

**2 hours**

**Virtually on Zoom**

**Multiple dates through Fall 2025**

**Registration:** <https://BeyondAODA.eventbrite.ca>

Centring disabled and Deaf experiences in accessing health care, this workshop is designed and delivered by people with lived experiences of disability and diverse intersecting identities. At the end of this workshop, you will learn more about:

- The impact different systems of ableism have on health care practices and outcomes
- Applying justice-based models of disability to your work and practice
- Implementing solutions to common access and inclusion challenges

Participants will also receive:

- A set of practical companion tools
- A certificate of completion
